

Building tomorrow's leaders

David's story/our Destiny

2 Samuel 7-10

Do you want to leave a lasting legacy?
Mold great kids to create a better
future?
But you cannot mold what you do not
model. David shows us how.

1. A godly leader is a person of **big dreams** and **big actions** [2 Samuel 7:1-3].
2. A godly leader is **humble**. Godly leaders never forget that all that they are and accomplish comes from the hand of a sovereign and good God [2 Samuel 7:5-17; 18].
3. A godly leader always **points the way to the King of Kings** and his kingdom [2 Samuel 7:12-16].
4. A godly leader is a person who **depends totally on God** [2 Samuel 7:18-29].

5. Godly leaders **fight to protect their people**. They also finish the fight. [2 Samuel 8].

6. Godly leaders are **people of integrity** – especially when it comes to **their word** [2 Samuel 9].

7. Godly leaders are **people of compassion**, even when it costs [2 Samuel 10]
