**Babylon Rising: A Paradigm Shift**

Jeremiah 29

By fighting cultural and political wars to recover a Jerusalem that never was, American evangelicals have lost their moral compass. Until we rediscover who we are, where we are, and why we are here, we will never be overcomers in a New World Order. This requires a paradigm shift and book of Revelation reset.

**Unlocking the Revelation Code**

Revelation 1

No other book of the Bible contains more mysteries, allegories, metaphors, symbols, or riddles than the Revelation of St. John. Yet, God would not have given us this book, or promised blessings to those who read it, if he did not intend for us to understand it. In the first chapter we begin to unlock the

Revelation Code. Without this code we will be ill-equipped to navigate the neon labyrinth of troubles ahead.

### **The Father of the Bride**

Revelation 2

When God the Father chose a bride for God the Son, he picked a prostitute. Having purchased this hooker with his own blood, Jesus is now preparing her for his wedding day. The cosmic events of history are orchestrated to change a street walker into a bride, worthy of the King. Revelation 2 shows four portraits of this unfinished bride and the lengths to which Jesus will go to get her ready.

### **The Father of the Bride 2**

Revelation 3

Jesus is the Lamb whose blood redeemed his bride, and the Lion King who will not tolerate her unfaithfulness. He is not a passive husband. Jesus will cast down nations, raise up kings, and unleash ecological disasters and celestial powers to bring his wayward bride to her knees and back to him. Revelation 3 gives three more portraits that makes us wonder if the rise of a New World Order is part of this process. Is the Bride entering a time of severe discipline?

### **The War Room**

Revelation 4

In turbulent times, people like St. John and we wonder if God is in control. In Revelation 4, a door is opened to us. We see a throne, and Someone sitting on it. This is a war room from which awesome celestial warriors are dispatched, the Horsemen of the Apocalypse gallop forth, bowls of wrath are poured out, and battle trumpets are sounded. This is the war of the worlds; the war to end all wars; our great God destroying his and our enemies, while redeeming the Bride, and restoring a far more glorious Paradise than Adam and Eve lost.

### **The War Room 2**

Revelation 5

The commander of the armies of heaven steps from his throne at the center of the war room. This seven-horned Lamb tears open the scroll of history. He

alone determines what will happen next. History is His Story, written out of love for his Bride. This Lamb is also the Lion: frightening, and yet good. Though the fury to come is terrible, we have no reason to fear.

### **The Roaring Lamb**

Revelation 6

Too many folks see Christianity as a smorgasbord from which they may choose the delectable and pass by the distasteful. These fair-weather believers prefer a gentle Lamb who indulges their whims. Revelation 6 destroys that myth. He is a Roaring Lamb who sends the dreaded Four Horsemen of the Apocalypse to ravage the earth. Who are these ghost riders in the night skies? If we listen carefully we can already hear their hoofbeats galloping across near horizons. What do they portend for us and our New World Order?

### **Who are the 144,000?**

Revelation 7

This mystery perplexes scholars, consumes searchers, divides churches, and has even spawned cults. Who are the 144,000 servants of God who bear his seal of protection imprinted on their foreheads? Are they Jews converted during the Great Tribulation, or past and future Christians, or are you among them today? The Revelation code solves that mystery. Once you see it yourself, it should put a song in your heart and steel in your backbone for the days ahead.

### **When Salvation is Impossible**

Revelation 8&9

In Revelation 8&9, great plagues are unleashed from the war room as warnings of greater disasters to come: intense global warming, ecological meltdowns, and demonic cruelty. The Paris Peace Accords will prove useless, as will the promises of the New World Order. Instead of softening hard hearts of creation worshippers, these catastrophes will only stiffen rebellion against their Creator. Those who would navigate the New World Order must be prepared for the implacable heart of delusion that is already manifest in our present day.

### **The Cost of Discipleship**

Revelation 10&11

In a world of cancel culture, Christ followers must never allow their voices to be silenced. In Revelation 10&11, they are given a scroll from heaven. But the sweetness of its words grow sour in their bellies. Those who speak truth are a

clear and present danger to utopias built on deception. The ultimate cost of discipleship is martyrdom, for the road to heaven goes through the cross.

### **The Red Dragon & The Queen**

Revelation 12

There is a war fought in celestial realms. The only one that matters. An ancient and ongoing battle that fuels all other wars. A red dragon stalks the earth in fury, trying to destroy a Queen, her Son, and his people. It is the story of anti-Semitism, pogroms, and holocausts. The epic chronicles of Israel, Jesus, and his followers. We must grasp this meta-story in order to triumph in days ahead.

### **The Mark of the Beast**

Revelation 13

Who is this beast who rises from turbulent seas at the siren call of the Red Dragon? This is the New World Order. It has a fatal wound, for it has risen repeatedly from the dead to appear as new reincarnations of an old utopian dream. Who is the smaller beast who seduces people to worship the first? You must know these answers lest you find yourself tattooed with 666, the *Mark of the Beast*. For the first time in history, our digital world can accomplish what is predicted in Revelation 13. Vigilance is essential to surviving and thriving.

### **The Rapture of the Church**

Revelation 14:1-13

Rapture comes from the Latin word *rapturo*, which means to be caught up. St. Paul wrote to the Thessalonian and Corinthian churches, telling them the Bride will be caught up to meet Jesus in the air. Will it be prior to the tribulation, in the middle, or after it? Christians have debated this in every age. But, when it happens makes all the difference in the world. The Revelation code gives us the answers that matter most.

### **Trampling the Grapes of Wrath**

Revelation 14-16

In the Battle Hymn of the Republic, the awful carnage of the Civil War is seen as a foretaste of the final wrath of God: "Mine eyes have seen the glory of the coming of the Lord; he is trampling out the vintage where the grapes of wrath are stored; He has loosed the fateful lightening of his terrible swift sword; His

truth is marching on.” For the world, this will be terrifying. For the Bride it will be “Glory, glory, hallelujah!”

### **A Painted Lady on the Beast**

Revelation 17

Who is this gaudy prostitute, drunk on the blood of martyrs, who rides atop a scarlet beast? Her name is Babylon. She is the temptress who gives a human face to the beast who devours; the utopian dream that stirs hearts; a deception that lost paradise can be created out of creation by creatures apart from the Creator; the utopias offered by Pharaohs, Shahs, Caesars, Sultans, Emperors, dictators, revolutionaries, Napoleon, Marx, Hitler, Stalin, the social engineers of our New World Order, and countless other antichrists throughout the ages. Unless we look behind the glitter of this deception, we will be devoured by the beast now, and then lose the only Paradise that will satisfy our longings.

### **Babylon Falling**

Revelation 18&19

This prostitute called Babylon is as ancient as the dawn of creation and as young as the final pseudo-Utopia in the last pages of Revelation. She seduces the gullible, and destroys those who expose the beast behind her glittering façade. She dies repeatedly, only to rise again to deceive new generations. She has risen again in Paris, London, Moscow, Beijing, Washington D.C., and other centers of world power. She promises everything that only God can deliver, but her end, along with those she seduced, is utter destruction.

### **The Battle of Armageddon**

Revelation 19;11-21

Armageddon. No place stirs the imaginations more than this site where the final axis of evil will gather to battle the Lion King. A single sword from his mouth will strike down the Beast, along with the gathered armies of the world. This one called “Faithful and True” will come with such power and fury that he will not even need the assistance of the vast armies of heaven that follow in his wake. The Battle of Armageddon is not only an awesome reminder that the Lion King and his followers will one day triumph, but it also shows us how to overcome in the conflicts of this present age.

## **The Millennial Controversy**

Revelation 20

Few mysteries of Scripture have confounded and divided Christians like Revelation 20. Is it speaking of present reality as some contend? Or will we evolve into a period like this before Christ returns as others postulate? Or will there be a thousand-year earthly reign of Christ between Armageddon and a final battle as still others say? As we attempt to unlock this mystery, there are some critical things about which we must all agree. They are essential to our eternal destiny.

## **Paradise Restored**

Revelation 21&22

What the first Adam lost, the Second Adam, Jesus Christ, will finally restore in a new and everlasting Paradise. It will expose the deception of all the Babylonian utopias that promised to restore Paradise Lost, and reward the hopes of those who held fast to the promises of their Creator. Genesis 21&22 opens the door a crack to show us a faint glimpse of the garden of delights that await us, if only we navigate the New World Order and triumph over its seductions!
